HYDERABAD.**

**Chapter 1
Introduction**

The Andhra Pradesh State Warehousing Corporation was established by the State Government on 5-8-1958. The Agriculture Produce (Development and Warehousing) Corporations Act, 1956 was repealed and replaced by the Warehousing Corporations Act, 1962 (58 of 1962).

The Corporation was set up by the State Government after notification in the Official Gazette with the previous approval of the Central Warehousing Corporation under the Warehousing Corporations Act, 1962 which is a Statutory Corporation established by the Government of Andhra Pradesh under an Act of Parliament. The Central Warehousing Corporation, a Government of India undertaking and the Government of Andhra Pradesh are the shareholders holding 50% shares each.

According to Section 20 of the Warehousing Corporations Act, the general superintendence and management of the affairs of SWC shall vest with board of directors. The Board of Directors consists of 5 Directors nominated by CWC and 5 Directors nominated by the State Government and the Managing Director appointed by the State Government. The Chairman of the Board shall be appointed by the State Government from nominated directors with previous approval of Central Warehousing Corporation.

According to Section 25 of the above Act, there shall be an Executive Committee consisting of Chairman, Managing Director, two directors nominated by State Government and one by Central Warehousing Corporation.

The main objective was to develop warehousing by providing scientific storage facilities so as to minimize wastage and losses in storage, assistance in orderly marketing , price support/price control measures taken up by the Government.

According to Section 24 of the Warehousing Corporations Act, 1962, the following are the functions of the State Warehousing Corporation.

- 1) To acquire land and build godowns at suitable places within the State for Providing storage facilities.
- 2) To arrange facilities for transportation of the produce to the Warehouses and from Warehouses to other places.
- 3) To act as an agent of the Central Warehousing Corporation or State Government for the purpose of purchase, sale, storage and distribution of agricultural produce, seeds, manures, fertilizers and other notified commodities.

The Corporation is playing an important role in the State by providing substantial storage space for storage of rice and other commodities meant for the Public Distribution System. Besides farmers and traders, storage facilities are being availed of by Fertilizers' manufacturers, Cooperative Apex Bodies, Government undertakings, Government Departments, etc.

To encourage the farmers to avail the Warehousing facilities offered by the Corporation, a rebate of 35% on storage charges is being allowed and also 10% of the storage space available in the godowns is specifically earmarked for their use by way of Warehouse Receipts.
